TEE TIMES

- Saturday tee times will commence at 9:00 am with competitors starting on holes #1 and #10 in a crossover.
- Sunday tee times will commence at 9:00 am and will be in reverse order of finish from Day 1 (i.e. - highest to lowest).
- There will be a draw to determine Saturday tee-times and the foursome grouping as part of the auction process on Thursday, Aug. 25th.
- Tee times will be spaced 10 minutes apart.
- Groupings will be foursomes, comprised of 2 players from each of 2 competing teams.
- The next foursome in order will be the other 2 players from each of those 2 competing teams.
 - For example, the 1st team drawn on the evening of the auction will place 2 players in the 9:00 am slot on Saturday, going off Hole #1. The other 2 players on that team will automatically slot into the 9:10 am tee time off Hole #1.
 - The next team drawn, will fill the remaining two slots at 9:00 am on Hole #1 and the remaining two slots at 9:10 am, Hole #1.
 - The 3rd and 4th teams drawn will then do the same by slotting 2 players at 9:00 am and 9:10 am respectively off Hole #10.

- The draw will continue until the entire field has established their tee time, the hole they are starting on and the competing team they will be paired with.

FORMAT

- All competitors will be sorted into A, B, C & D groupings based on Handicap distribution.
- Each team will consist of 4 players with 1 player coming from each of group A, B, C & D based on the handicap distribution.
- Teams will be computer generated to minimize the spread in total handicap between teams.
- Teams will be drawn under supervision on Monday, Aug. 22nd.
- The A player on each team will be designated the Team Captain.
- The team captain will designate which 2 players will compete together in the applicable foursome on both Day 1 and Day 2.
- This designation will be required when the team is officially registered for the event at the auction on Thursday, Aug. 25th.
- The competition will be based on a modified stableford scoring system.
- 3 players (of the 4) will contribute to the total points per hole for each team.
- Modified stableford scoring will be as follows based on the net score per hole of each player;
 - 5 points for double eagle,
 - 3 points for eagle,
 - 2 points for birdie,
 - 1 point for par,
 - 0 points for bogey,
 - minus 2 points for double bogey.
- Full (100 %) handicaps to be used. Handicaps will be based on the individuals' handicap as of the close of registration on Sunday, Aug. 21st.
- Maximum handicap will be 36, when calculated from the white tees for men/red tees for ladies.
- Men will play from the White tees and appropriate handicap; Ladies will use Red tees.
- 2 players from each of 2 competing teams will comprise the foursome. The other 2 players from each team will immediately follow in the next foursome.
- The order of play on Saturday will be determined by a blind draw at the auction on Thursday, Aug. 25th.
- One player from the two teammates in a grouping will maintain the scorecard for the 2 players on the competing team, indicating the gross score for those individuals. Both cards must be signed by members of the team and be in agreement on the conclusion of each round. If there are discrepancies, the higher of the scores will count. Failure to comply can result in disqualification.
- Participants in this event must agree to play by the established rules of golf.

PACE OF PLAY

- Each group is expected to keep up with the group in front of them.
- In an effort to maintain a reasonable speed of play, the maximum number of strokes a player can take on any hole is equal to that of net double bogey.

- Once a total strokes equal to net double bogey is reached, a player must pick up their ball.
- Failure to do so, may result in a penalty being called on the team of the offending player equal to minus 2 stableford points.

ENTRANCE FEES (CASH ONLY)

- The basic entrance fee is \$100.00 per player, \$400.00 per team.
- Payment should be collected by the team captain and submitted to the organizers when their team is officially drawn for their Saturday tee time and prior to their participation in the auction on Thursday, Aug. 25th.
